EXPERIENCE

Pediatric Therapy Services, Brandon, FL — *Pediatric Occupational Therapist*

November 2022 - PRESENT

Prioritized communication with team members to meet client objectives and for shared problem solving while maintaining customer-focused presence for clients and families. Assisted with schedule and materials management. Analyzed and integrated data while submitting all documentation in a prompt manner, with 100% of daily notes submitted earlier or within mandated timeframe.

Speak Easy Solutions, Oviedo, FL — *Occupational Therapist*

September 2021 - August 2022

Evaluated and formed/implemented treatment plans for children and adults while navigating Electronic Medical Records efficiently, maintaining timely virtual and verbal communication, and submitting mandated documentation promptly.

Supervision of other clinicians and interdisciplinary collaboration throughout.

AdventHealth, Winter Park, FL — *Student Clinician*

February 2021 - May 2021

Evaluated, treated, and provided caregiver education and home modification guidance to clients and families. Maintained frequent communication with multiple members of the healthcare team regarding updates, safety, and precautions. Demonstrated ability to adapt in fast-paced inpatient rehabilitation hospital floors.
